Your Vacation Bible School Can Help

Each year, thousands of churches here at home have VBS for their children. Most Bible Schools take an offering that will be sent to the mission field to help boys and girls. If you have designated your VBS offering for Mission To Haiti, we will use it to reach boys and girls for Christ.

The most powerful agency to win children to the Lord is Bible School. In Haitian villages, VBS is a special

event. When a Bible school is announced in a village, the children are eager to attend. The time is filled with lively children's songs, Bible stories, crafts and more. VBS becomes the talk of the community. Scores of children are drawn to the church. It is there that they hear the Gospel and give their hearts to Jesus.

The May Team brought the Word of God to the children at Delmas. The church

and school are located in the hills above the capital city. The building is not large, but more than a hundred children crowded in. Twenty-two children accepted the Lord as their personal Savior. One of the mothers also came to Christ.

Our resources are limited. When you help financially, you allow us to reach Haiti with the Gospel. Souls are saved as we minister in Jesus' name. Thank you.

Partnership In Missions

Housing In Haiti

Housing in Haiti is a serious problem. Most native houses are made of sticks and mud. Floors are hard packed earth. Roofs are made of thatch. If the family can afford it, they will replace the thatch with tin. Most houses are susceptible to rodents and insects. Gradually, the mud wears away and the houses have to be rebuilt.

The July Mission Team would like to build a house for a family in the Cazeau community. The house they have now is deplorable. The family has done some work on the new home, but they cannot afford to continue. Our team would like to pour a cement floor, lay the blocks, and put on the roof. It will cost about \$5,000 to finish the house. Your help will be greatly appreciated.

We hope to plaster another home in the community also. The cost will be \$1,000. Thank you for helping.

We Need Your Help

Two thousand twelve has been a very active year for us at Mission To Haiti. Teams of volunteers and Haitian counterparts have been busy reaching and ministering to the Haitian people. We now have almost 900 children sponsored, and the new clinic is preparing to open full-time. Please consider sending a special offering to help with the work at hand.

Dr. Stephen Zeinner Visits Haiti

Dr. Stephen Zeinner, the founder and director of Bearing Precious Seed Global, visited Haiti with the March Team. The Lord has used Stephen to oversee the printing and sending of millions of Scriptures across the world. We appreciate his visit to Haiti.

Your Vacation Bible School Offering

We need help to meet the special needs of children who depend on us. Please consider sending your church's VBS mission offering to Mission To Haiti.
