August 2012/Number 392

## Building A Home

In July when the team of forty arrived in Haiti, work and ministry opportunities were waiting for them. With the Lord's help, the construction team was prepared to build a new house for the Bellevue family. The house is located just behind the Mission To Haiti campus. With the funds you sent, we were able to buy materials before the team arrived.

Soon after the team arrived, the group made forms to pour the concrete floor. Haitian workers and team members worked side by side to complete the floor and lay the blocks for the walls. The group was able to complete the walls up to the roofline. A tie beam needs to be poured in preparation for the roof.

As the team worked, prayers for a new home became a reality. The family thanked the group repeatedly for coming to Haiti and helping them. Thank you for giving the funds so that the Bellevue family can have a new home. Your continued support is appreciated.

## Birthday Party Sponsors Sandy Duvame

A few months ago, we received a special request to sponsor Sandy Duvame who lives in the village of Cotin. Instead of receiving gifts for his 13<sup>th</sup> birthday, Paul, a teenager from Illinois, asked his friends to give money to sponsor Sandy.

The response was overwhelming. Paul's friends raised \$1,000! They also wrote letters to Sandy, and provided gifts for him. Paul and his friends took a group picture and sent it to Sandy. In July, we were able to deliver these things to him. Sandy was thrilled to receive everything and learn about the boys who gave so that he could attend school. We also received craft supplies which we began using

*Please make Mission To Haiti a part of your regular missions giving*

# Partnership In Missions

## Bible School In July

The July Mission Team held Bible school at the Beudet church and also at a local tent city. John Bollinger, who serves on our board of directors, led the Bible school group.

Each morning, the group went to Beudet. The church was filled with children who were excited to be a part of this special event. They sang Bible songs and listened carefully to the Bible stories. After lunch each day, the group went to the local tent city where they met in an open-air school for displaced children.

On Friday, about two dozen children made professions of faith. We thank the Lord for these precious souls who accepted Jesus.

## A Goat For A Family

Colleen and her Girl Scout friends raised money to buy a goat for a needy family. Colleen has been to Haiti many times and knows the value of helping a family in need. A goat can be purchased and delivered for \$60. Goats are one of the most important animals in Haiti. Thank you Colleen!

As more friends join with us, we are able to minister to more people in Haiti. We continue to help people recover from the earthquake. We distribute food on a regular basis. You can provide food for a family for \$20. Chris Webb, our newest missionary, needs your support. Learn more at [missiontohaiti.org](http://missiontohaiti.org)

## Birthday Party Sponsors Sandy Duvame

in the July Bible school. Sponsoring Sandy in this way is a wonderful way to give. Thank you, Paul, for your help in this ministry, and "Happy Birthday."

Pictured below is Victoria Kofy. She lives at Ti Goave where her family's home is in poor condition. Her sponsor sent money to help. We bought a tarp for the roof and gave the balance to help with repairs. Thank you for this wonderful gift.

## The VISION
