

# The VISION

"Where there is no vision, the people perish ..." Proverbs 29:18

The Monthly Newsletter of Mission To Haiti

July 2012/Number 391

## Building A New Home

The July Mission Team is preparing to build a permanent home for the Bellevue family pictured above. Their house was ruined by the earthquake. The family has been living in a shanty made of scrap materials. Our plan is to build a new home made of concrete blocks and a wood-truss roof.

One of the most pressing needs in Haiti is housing. Most native homes are built from castoff wood and tin.

When the tropical rains come, it soaks the house inside and out. A new home for the Bellevues will protect them from the weather as well as rodents and mosquitoes which are the cause of many health problems in Haiti.

It will cost about \$5,000 to complete the house. We have already collected \$3,000. If you can help, your gifts for this new home will be a great blessing to the Bellevue family.

## Sponsorship, Transforming Haiti One Child At A Time

The children you sponsor are blessed in special ways. Children learn to read and write. They also receive meals at school which improve their health immensely. Many of our sponsors send their children special gifts. Navline, pictured below, received beans and rice to take home to her family. This food will provide meals for about a week. You can provide food for a family for \$20.

## Sponsorship, Transforming Haiti One Child At A Time

*Continued from page 1*

Francois, who is pictured on the front page, received a goat for his family. His sponsors provided money to buy this goat. It will be a blessing to Francois and his family. Goats are one of the most important animals in Haiti. They provide milk and they produce kids which can be used to earn an income. You can purchase a goat for a family for \$60.

Here is how you can help this ministry.

- For \$30 a month you can sponsor a deserving child. See our website at [missiontohaiti.org](http://missiontohaiti.org)
  - Please help us build a house for the Bellevue family. We need \$2,000 to complete the project.
  - Food For Families can be given to a needy family for \$20. Your Bible School Offering will be a great help.
- Thanks for your support.

We have launched a new website for Mission To Haiti. The new site has been completely updated. We believe it will be easier to use and become a place you will want to visit often.

On the new site, you can make a sponsorship payment, sponsor a child, apply for a mission team, and more. It has picture galleries and a collection of videos that have been taken in Haiti. We are now using PayPal to process charges.

We want to thank Randy and Joni Williams of FirmConcept for creating this new site. Thank you for supporting Mission To Haiti.

## Junior's Mother Passes Away

Junior Hyppolite's mother, Lyna, passed away in June. Junior has been serving with Mission To Haiti since he graduated from high school. He is an important member of our team on the mission field. We asked for your help to pay Lyna's hospital bill and her funeral. You graciously helped pay for both.

The church service was filled with friends from the church and community. They came to pay their respects and comfort Junior and his family. Following the service, the entourage of people

walked to the cemetery in Haitian tradition where Lyna's body was laid to rest. Bill Jr. and Christopher went to represent our Mission To Haiti family. Thank you for your prayers for Junior and his family.

## The VISION
