

The VISION

"Where there is no vision, the people perish ..." Proverbs 29:18

The Monthly Newsletter of Mission To Haiti

October 2012/Number 394

Reaching People In Need

Tropical Storm Isaac destroyed gardens and killed livestock. Reports from the rural valley reached us asking for food. You responded and helped us buy food for 250 families. Each packet of food gives a family beans and rice for a week.

Mission To Haiti has now given out 725,000 lbs of beans and rice. You have helped us give food to more than 36,000 families. Beans and rice cost us about \$1 a pound to provide.

Our immediate goal is to give a million pounds of food to needy families. You can help us supply this nutritious food for as little as \$20 for a family. An easy way to give is to donate on our website at missiontohaiti.org

The door for helping the needy in Haiti is opened through Child Sponsorship. This continues to be the force that drives us onward. Two of our most important rural schools are located in the valley where the recent flooding took place. Pictured

above is a boy we visited in September whose home was damaged by the flooding. We found that his sister was suffering with an ear infection. Sponsorship is the open door for us to help. Our immediate goal is to sponsor 1,000 children. Right now, we have about 900 children who are sponsored. We want to help more.

Sponsorship does more than provide a Christian education. We are ready to offer medical and dental health care through the new medical clinic.

Beginning this month, we are asking our sponsors to give an additional \$5 per month. This will go into the Student Medical Fund so that your child can visit the clinic whenever needed. You may participate by adding \$5 to your sponsorship payment.

Sponsorship will now be
\$35 per Month
\$105 per Quarter
\$420 per Year

You may also help by giving to the Medical Fund. This fund will help children with hospital stays, surgeries and special needs.

Please make Mission To Haiti a part of your regular missions giving

Partnership In Missions

Help For Our Haitian Leaders

Mission To Haiti ministers together with Haitian leaders in the great work of reaching the Haitian people for Christ. The Lord has blessed this ministry by allowing us to serve with them to accomplish God's work.

Many of these servants of the Lord labor under difficult conditions. We support them in every way we can. When you give to Mission To Haiti, you make it possible for these special people to serve in this difficult land.

It has been hard to get in contact with Enock, the school Director at Joineau. When we are not able to get word to him, we have to travel to Joineau to reach him. On our trip to Joineau in September, we got stuck in a ditch created by the recent flooding. In a few minutes, local farmers surrounded the vehicle. They lifted the side which had fallen and placed rocks underneath the wheels so we could get out of the ditch. Afterwards, these farmers came to Bill Jr. and thanked Mission To Haiti for helping their children go to school.

We brought Enock a cell phone which he appreciated greatly. Your faithful support makes this work and ministry possible.

Please Help Pastor Brucely Delma

Pastor Brucely Delma is reaching hundreds of families in the rural communities where he serves. Sponsorship has opened the door for us to help children at the Ti Goave and Delatte schools who are desperately poor.

We are helping a number of children through sponsorship. Hundreds more want to go to school. However, the families do not have the funds to buy the supplies their children need to go to school.

We need your help for Pastor Brucely. As school begins, many children are not able to buy uniforms or school materials. Our goal is to raise \$10,000 to help them get started. This will be an opportunity to transform the lives of many children. Your help is greatly appreciated.
