"Where there is no vision, the people perish ..." Proverbs 29:18

The Monthly Newsletter of Mission To Haiti

April 2013/Number 400

Junior Hyppolite, who serves with us, was one of our original sponsored children. Today Junior's son (*below*), is one of our sponsored children. Junior excelled in his education. He is a valuable asset to the work and ministry in Haiti.

There are many children who are waiting for sponsors to help them. Most importantly, these children will have the opportunity to hear the Gospel. Please visit our website at [missiontohaiti.org](http://missiontohaiti.org)

## Sponsorship At Work

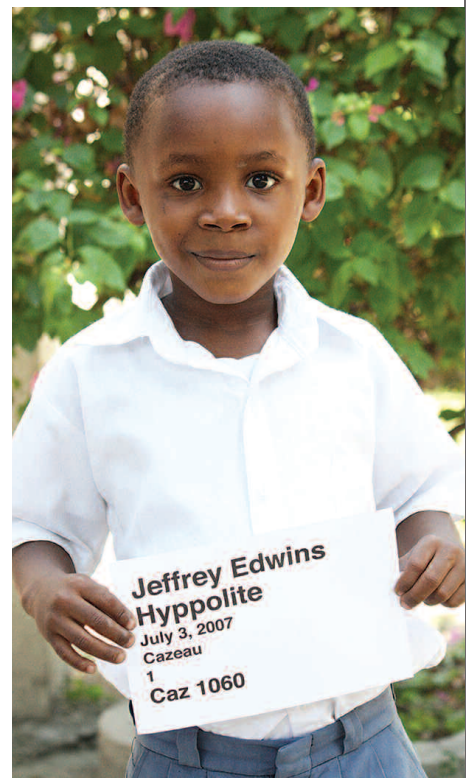

Pictured above is Bill Nealey, Jr. and Suzanne Labady sitting with Herode St. Vil at King's Hospital in Port-au-Prince. Bill is our Field Administrator and Suzanne is our Clinic Supervisor.

Herode is one of our sponsored children. He attends the Delatte School in the south of Haiti. Herode has been suffering from a common affliction that a number of children have in Haiti, a debilitating hernia. In March, Herod was brought in from the rural village where he and his family live. Suzanne worked with the local pastor and the hospital to make the arrangements. Bill and Suzanne visited Herode the next day. He was recovering very well.

The cost of the surgery and follow up will be about \$400. Having the new clinic in place was a great help in arranging Herode's surgery.

When you sponsor a child for \$35 a month, your child receives a Christian education and nutritious meals at school. Also, \$5 of your monthly sponsorship is put into a fund to help pay the expenses of children who need medical help at our clinic or at King's Hospital.

*Most of our sponsors have raised their sponsorship from \$30 to \$35 a month. You can provide medical help for your child by adding the \$5 to your monthly sponsorship.*

*Thank you for your support for Chris and Bonnie*

## Food For Families

In March, an older gentleman came to Bill Jr. and shared with him the difficulties his family was facing. One way Bill helped was to give him food for his family. He was so thankful that the man came by the next day to thank Bill again for the food.

We are continually approached by families in need, and so we continue to give food to families. We have several large distributions planned for April. You can help provide food for families. For \$20, you can give a package of food which is enough food for a family for a week. Mission To Haiti has given out more than 700,000 lbs in family sized packages. Your help for the hungry is greatly appreciated. You can give for food on our website at [missiontohaiti.org](http://missiontohaiti.org) Thank you for helping.
