## Mission Team Gives 5,000 lbs of Food

*Cheryl Smith, Nurse Practitioner, does wellness checks at MTH's schools. Children who need to see the doctor will be brought to our medical clinic on the main campus. The extra \$5 you give each month is being used to provide health care for your sponsored child. Thank you for helping this ministry.*

The June Mission Team impacted Haiti in a significant way. They bought, packaged, and distributed more than 5,000 lbs of food to families in need.

This year Haiti became the poorest country in the world. More than half of the population lives on \$1 a day. Many children are still waiting for the opportunity to go to school. Children who are malnourished are subject to poor health.

You can transform Haiti one child at a time. The best thing you can do is to sponsor a child. Sponsorship provides

education, food, and health care. For about one dollar a day, you can give a deserving child the opportunity to have a bright future.

Your sponsorship of \$35 a month provides tuition, meals at school, and health care. If you have not increased your sponsorship to include the extra \$5 for health care, please consider increasing your sponsorship donation. Thank you for your help.

### Sponsorship Payments

# Partnership In Missions

## God's People At Work

B

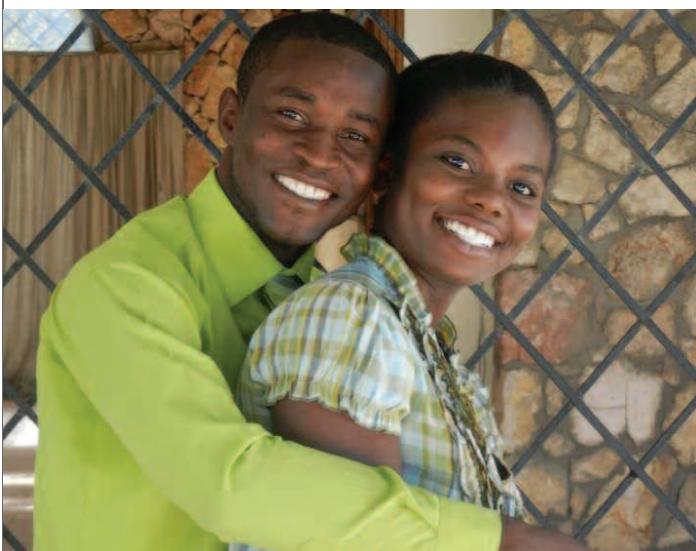

Becky Graves is a petite lady and full of energy. Becky, along with her husband Rick and three boys, are actively involved with Mission To Haiti. In June, Becky led a team from Grace Baptist Church in Wilmington, North Carolina. They served in projects at several villages.

Becky directed two Bible Schools each day which fit perfectly with the work and ministry of Mission To Haiti. Her love for the Haitian people is demonstrated continually through a personal relationship with Jesus Christ. Becky is truly making a difference. You can make a difference also.

## Steeve Derard, Faithful Servant In Haiti

S Steeve Derard is a special young man. He loves the Lord, and he loves the ministry of Mission To Haiti. He works full-time with the Child Sponsorship Program. When teams come to Haiti, he interprets for the Bible School workers. Steeve's heart for sharing the Gospel has brought many young people to a saving knowledge of Christ.

In June, a group of children at Bible School indicated that they wanted to be saved. When they huddled together, Steeve prayed with them to receive Jesus as their Personal Savior. It reminds us in the Scriptures when Jesus said, *"Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven."* Matthew 19:14

Steeve has a special need. In October, he plans to get married to his fiancée Manoucheka Pierre. They need help to get started. Steeve is living with his friend, Junior. They will need to find their own place and buy some basic furnishings. *They need \$2,500 to cover these expenses.* If you can help, your gifts for Steeve and Manoucheka are greatly appreciated.
