## October Mission Teams

Five thousand pounds of beans and rice were bought and prepared by the Distribution Team (left) and given to families in need. The team was able to give 200 family packs of beans and rice. Giving food continues to be one of the most important things we can do to help. Our year-end goal is to raise \$10,000 to buy food for families and establish a food program at our newest sponsored school at Guedon. Thank you for your support.

Mission To Haiti just finished two mission teams. Both were active, and they accomplished much. As the first team was leaving, the second team was arriving in Haiti ready to start their projects.

The first group had a Medical Team, a Bible School Team, a Painting Team, and a Food Distribution Team. The second group had a Dental Team and a Construction Team that built a new roof on the Delmas school. More on the teams next month.

The Medical Team had three doctors and a large group of support personnel. The team saw over 750 people. To the right, Dr. Doty Murphy and Dr. Bill Gray are praying with a couple. Prayer is the greatest medicine.

The VBS Team held two Bible Schools for more than 500 children each day. They had lively singing, nutritious snacks and Bible lessons that presented the Gospel to the children and their parents. Everyone was blessed.

# Partnership In Missions

## Goal To Sponsor 100 Children

On Saturday, November 23, we are holding a banquet at the Weston Hills Country Club to benefit the children of Haiti. You are cordially invited to attend.

The best way to help the children of Haiti is through Sponsorship. We recently took on our 13<sup>th</sup> sponsored school at the village of Guedon. We would like to begin helping them by sponsoring 100 children and establishing a food program at the school. This will provide the support they need to minister to the children in their community and to grow the school. We need your help to begin working at Guedon. Your support is greatly appreciated.

## Get Involved In The Banquet

Attend the banquet:	\$75 a plate
Sponsor a table:	\$750 a table
Be an Event Sponsor:	\$1,000 Silver
	\$2,500 Gold
	\$5,000 Platinum

The funds that are raised will benefit the children of Haiti. It will provide food for hungry children and families. We are expecting a wonderful year of ministry in 2014. Thank you for your help.

## Goal To Raise \$10,000 For Food

The most pressing need in Haiti today is food. The cost of food has been increasing greatly over the past year. This makes life very difficult in Haiti. People ask us for food on a regular basis. We need your support to help them.

We have set a goal to raise \$10,000 to buy food for families and establish a meal program at Guedon. Beans and rice provide high protein meals which improved health and wellbeing. You can give for food on the website at [missiontohaiti.org](http://missiontohaiti.org)

## Steeve And Manoucheka Get Married

On Saturday, October 26<sup>th</sup>, Steeve Derard and Manoucheka Pierre were married. Steeve is one of our Sponsorship representatives in Haiti. Members of the October mission team were able to attend the wedding. It was a beautiful ceremony. Esther and others helped them prepare for the wedding and establish themselves in the community. We appreciate everyone's help. We wish Steeve and Manoucheka God's richest blessings.
