We Need Your Help To Finish The Year

October Construction Team

cases. A number of children have had surgery and been treated for severe issues this year.

Homes have been built for families who lost everything in the earthquake. Five new houses are planned for January 2014. Most people in Haiti live in substandard housing.

Five mission teams served in Haiti this year. These groups brought medical and dental teams, construction teams, Bible school teams, food distribution teams, mechanics,

Because of your prayers and support, 2013 has been our most productive year in ministry. To begin with, more than 150 new children have been sponsored this year. We are now sponsoring almost 1000 children. As these young people finish school, they are taking their place in society.

In September, we began sponsoring children at the Guedon School. This village is filled with children who need to go to school and hear the Gospel.

This year, two new kitchens were built to provide meals for children. The Delmas School, which burned, has been rebuilt, and it is better than before. In October, a construction team (*above*) installed a new white rubber roof. It reduces the temperature inside the school by about 15°.

The new clinic began operating this year. A doctor is on call and a nurse is available to see children on a daily basis. A local hospital is taking our critical

Sponsor a needy child

We wish you a Merry Christmas and a Happy New Year

Partnership In Missions

Sponsor A Child At Guedon

Chad Brown and Delaney Story in the dental clinic.

This fall, we began sponsoring children at our newest school at Guedon. The village is filled with children who need a Christian education. For \$35 a month, you can transform the life of a child through sponsorship. There are 15 Guedon children on our website ready to sponsor.

In October, a dental team headed by Chad Brown (*above*) sealed children's teeth to prevent cavities. The team did a wonderful job.

If you sponsor, please make sure your sponsorship is paid by the end of the year. If you need to know your balance, email us at mth10@bellsouth.net or call us at (305) 823-7516. We want to finish the year with all accounts balanced for 2013.

Thanks 4 Giving Banquet

On Saturday, November 23rd, we had our Thanks 4 Giving Banquet. It was a wonderful event with Christ at the center of it all. The purpose was to introduce Mission To Haiti to our community. It was well attended by faithful supporters and many new friends. We want to thank everyone who helped us organize and carry out the banquet. We also want to thank everyone who sponsored the event. We look forward to more events in the future.

New Executive Director

Bill Nealey, Jr. was elected by the Board of Directors as our new Executive Director. We want to wish Bill Jr. the Lord's very best as he leads this ministry into the future. Bill first went to Haiti when he was 14 years old. He has served faithfully with Mission To Haiti for the past 25 years, and is a great asset to this ministry. Keep him in your prayers.

electricians and technicians to serve at the mission campus and in the communities.

Hundreds of families have received food this year. In fact, since the hurricanes and the great earthquake, Mission To Haiti has given out more than 750,000 lbs. of beans and rice. You can provide food for a family for \$20. This family pack will provide food for a week. Today, Haitians spend 60% of their income on food.

The Gospel was shared with hundreds of children and many of them accepted the Lord.

Thank the Lord, we have had a great year. Your special offering at this time will help us finish 2013 with all accounts balanced and begin 2014 ready to serve. Thank you for your gracious support.
