The Best Way To Serve

As the program grows, so does the cost of administration. Administrative support allows us to carry out the vital functions of this ministry. When you give to the general ministry, it allows us to do more. It provides the resources to increase our presence on the field and meet the growing number of ministry challenges. We use your gifts carefully and prayerfully. Sponsorship is truly the best way we can serve the Haitian people and change Haiti one child at a time.

The main focus of Mission To Haiti is reaching children for Christ. The Haitian children have many needs. Through Sponsorship, we work to meet the ongoing struggles they experience. Their most important need is spiritual. In June, the mission team held Bible schools in three communities. Pictured to the right is Tracy Fulford sitting with several children who came each day.

The most immediate need that children experience is physical. Helping them receive an education, good nutrition and medical care is the starting point to bring healing and hope for the future.

Food is a critical need in Haiti right now. It is expensive to buy and the cost continues to go up. The schools are requesting more help to buy food. Your special gifts for food are much appreciated.

You can provide food for your child's school, their family or a needy family for \$25 at www.missiontohaiti.org

Partnership In Missions

How Shall They Hear Without A Preacher?

The June Mission Team was able to accomplish much during their trip to Haiti. The trip began with Sunday service at Gallette Chambon. Pastor Jay Knolls preached the sermon. The church was filled to capacity with standing room only. It was a blessing for us to worship with our brothers and sisters in Christ.

The team held Bible schools in three communities. The Gospel was presented to scores of children who attended. Most children will hear the Gospel for the first time at Bible school. The team distributed food to 230 families throughout the trip. We want to thank everyone who came to Haiti and made the trip a success.

Thank You For Your Support

The best way to serve the country of Haiti is through Christian education. Mission To Haiti sponsors children for school in thirteen communities. We are convinced that this is the best way to help the people of Haiti.

If you already sponsor a child, we encourage you to keep your payments current. As you give faithfully, your child receives an education that will benefit him for the rest of his life. We have been sponsoring children for more than 25 years. Graduates are now serving in places of responsibility across the country.

You can sponsor a child for \$35 a month. You can provide extra food for your child's school for \$25. You can also provide a uniform for your child for \$30. Thank you for your help.

Special Prayer Request

Please pray for Pastor Tom Craig, pastor at Oak Ridge Baptist Church. He was recently diagnosed with pancreatic cancer. Pastor Tom is 52. His hope is in the Lord.

Team Bus Repaired

Harold Dotson, with the help of several team members, replaced a head gasket in the team bus. One of the gaskets in the 8 cylinder diesel engine had been leaking water for several years. Harold did a great job. This will allow us to use the bus a while longer. The Chevy bus is 28 years old. Perhaps, the Lord will lead friends to help us replace the bus.
