Partnership In Missions

I Was Hungry And You Gave Me Food

In Matthew 25:35, Jesus identifies Himself with those who are hungry. An empty stomach at the end of a long day is common to most Haitians. Haiti is now the poorest country in the world. The rising cost of food makes it very difficult for families to provide for themselves. We believe that having nutritious food will give physical strength and a clear mind to study and do daily tasks.

By God's grace, Mission To Haiti has fed countless families and thousands of children through the food distribution program. The children's health is improving because of the food they receive at school and from their sponsors. Food distributions help lift the burden from families.

There are many who still need your help. This month, hundreds of new children will start school for the first time. They represent families who are struggling to provide life's basic necessities. This is an opportunity for you to make a difference.

We are asking you to help us sponsor and attend this event. Jesus said, *"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."*

How You Can Get Involved

Attend the Event:	\$75 a plate

Mission To Haiti Evening Of Vision

Continued from page 1

Since 1981, Mission To Haiti has been helping the Haitian people overcome poverty. Food is difficult for families to provide. Most Haitians do not get enough to eat. In Haiti, 70% of a family's income goes to buy food. You can lift this burden by providing food for hungry people.

Our goal for the event is to raise \$50,000 through monthly commitments and personal donations. You may set up your donations on a recurring basis online.

At the event, we will provide you with a commitment card which will describe the different options available. Someone will be ready to help you complete your contribution for food online.

Please pray for this event and this work on the mission field.
