## Food For School Children

On [missiontohaiti.org](http://missiontohaiti.org) you will find this logo above. Click there to provide food for school children in Haiti. You can make your monthly offerings recurring.

Mission To Haiti's Food Program began in the early days of sponsorship. We discovered that many of the children were coming to school without eating. At the time, the schools were very small. The population of Haiti was 5.7 million people.

Today, the population has almost doubled to 10.6 million. There are 3 million children in Haiti under the age of 15 years old. This increase has especially been felt at the schools. People's resources are stretched to the limit.

Families are relying on the schools to help meet the basic needs of the children. An important part of meeting these needs is providing food.

Good quality beans and rice are available in Haiti. It is the main food staple of the country. It provides the nourishment that children need to grow healthy and strong. Our goal is to make sure that all the children in the schools are able to eat. At present, there are 4000 children in the Christian schools that we support.

We have included a commitment card like the one below. Please return the card and let us know if you would like to make a one-time donation or a monthly commitment for food. You can also make your donation on the website and you can make it recurring. *A monthly commitment of \$25 would help greatly to provide food for the schools.* Thank you for your support for children in Haiti.

# Partnership In Missions

## Evening Of Vision A Great Success

On Saturday, October 11, friends from the South Florida community were invited to attend an event at the Weston Hills Country Club. It was an affair where Christ was honored and Mission To Haiti was blessed.

Our goal was to raise \$50,000 to buy food for the children in Haiti. We are happy to report that the goal was reached through gifts given at the event and promises made by those who attended.

Many of our friends promised to help on a recurring basis. We are grateful beyond words for the love and concern expressed by everyone who participated.

We are preparing to begin 2015 with great expectations. To do this, we need your help to finish the year with all accounts balanced. Thank you for your faithful support.

## Meeting With Pastor and Principals

Recently, we met with our local pastors and school principals to discuss the work of the clinic and the role they play in making this vital ministry effective. The pastors and the school leaders are an important part of this ministry to children.

In attendance were Bill Jr. who directs the Sponsorship Program and Chris Webb who oversees Food Distribution. We also had Suzanne who is our Clinic Supervisor and Mirlaine, our full-time nurse. We appreciate everyone who came.

The meeting was led by Beverly Jansma, our Medical Team Coordinator. The leaders told us how much the parents appreciate the work of the clinic for their children. The clinic is free to the children. It is paid for by your sponsorship gifts.
