## Chris And Bonnie Webb

*If you would like to have Chris and Bonnie visit your church or Bible study group, let us know by calling us at (305) 823-7516 or email at [mth10@bellsouth.net](mailto:mth10@bellsouth.net)*

Serving in Haiti has been a major part of Chris' life. He began going to Haiti with our family when he was eight years old. By the time he was twelve, Chris made a commitment to serve in the country of Haiti. Chris was home schooled which gave him the opportunity to spend a lot of time helping on the mission field. He served on the mission teams wherever he was needed. He grew to love Haiti and the Haitian people.

After Chris graduated from High School, he enrolled in college to prepare to serve as a missionary. It was during this time at Pensacola Christian College that Chris met Bonnie Garzarelli.

Chris and Bonnie began dating in college and their relationship blossomed. Together, they felt the call of the Lord on their lives to serve in Haiti. Shortly after they finished college they were married and moved to South Florida.

Today, they serve with Mission To Haiti. Chris directs our Sponsorship Program and Bonnie is our Sponsorship Secretary. Along with their other duties, Chris and Bonnie spend time visiting churches and sharing about the work in Haiti. It is a wonderful way for them to meet new supporters and touch base with those who have been helping us for many years. We appreciate everyone who supports this work and ministry.

Chris and Bonnie would appreciate the opportunity to visit your church or Bible study group. They have presentation materials to share, and they are ready to sponsor children and talk about our Mission Team Ministry.

If you are looking for an opportunity to get more involved, having Chris and Bonnie come and share would be a great way to begin. Thank you for your faithful prayers and support which allow us to serve in Haiti.

# Partnership In Missions

## Your Vacation Bible School Can Help Children In Haiti

Mission To Haiti sponsors children in 15 schools. All of them are Christian schools associated with local churches. Two of these are vocational schools. Education will provide an opportunity for these young people to work and earn a living. Sponsorship is the best thing we can do to help the people of Haiti.

The schools are faced with needs that the monthly sponsorship support is not able to meet. Providing school supplies and materials, upkeep of the school facilities, school desks and things like this require special funds.

Perhaps your Vacation Bible School this summer would like to designate their mission offering to meet these needs for the children of Haiti. We would be happy to send you more information on how your Bible school can help. Thank you.

## Food For Families

Giving food is a need we are faced with on a regular basis. Families who are struggling will come to the churches looking for help. It is an opportunity for us to meet their needs and also to present the Gospel to them. When you give for food, you are being an instrument of the Gospel of Jesus Christ.

For \$25, you can provide a family with food for a week. What a blessing it is for them to receive this. Thank you for giving.

## Digging Well At Galette Chambon

Recently, we asked you for help to re-dig the well at Galette Chambon because it had gone dry. The Haitian workmen had to climb down the well and dig out the dirt and rocks by hand. They were able to dig 50 feet deeper to reach a steady supply of flowing water. They will now repair the pump and re-install it. Thank you for making it possible to do this work. The people of Galette Chambon thank you.
