## Preparing For The November Team

Our next mission team is scheduled for November 14 – 21. A dental team is coming to work with the school children. We are also planning to have Bible school. We will have a two-day conference at Ti Goave for pastors and their wives. It will be a great time of encouragement. If you are interested in joining this team, let us know.

In July, we had an eyewitness team come to see the work in Haiti. Two board members came, Robert Andrews and Gary Johnson, as well as Michael Daily and Tim Kiusalaas from South Florida.

## Schools Prepare For New Year

The new school year will begin soon. The teachers and principals are now getting the classrooms ready. The rooms are being spruced up. New desks and blackboards are being made.

During the summer, the children are having new uniforms made by local tailors who work from their homes. The uniforms are made by hand on a treadle sewing machine. Families are buying book bags and materi-

als for their child's return to school.

*If you would like to help your child's family provide these basic necessities, we suggest a gift of \$20 to help with these needs. It will be greatly appreciated.*

Your sponsorship support provides Christian education, food and medical care. The clinic staff has been seeing children through the summer. Every sponsored child has access to the clinic when they need help.

Your faithful support through the summer months will help to make this new school year the best one yet.

# Partnership In Missions

## Chris And Bonnie Return From Visiting Churches

For two weeks, Bonnie and I had the privilege of traveling to three states visiting supporters and sharing our ministry with new friends.

We spent the first week in Plano, Texas where we visited a new church. Many people stopped by our display table and asked us how they could get involved in sponsorship and missions teams.

Our next stop was Springdale, Arkansas. We visited one of our supporting churches. Since Bonnie is the sponsorship secretary, it was a special privilege for her to meet many faithful sponsors in person.

In Tulsa, Oklahoma, we were honored to meet with a missions pastor and his family. On Sunday, we had the opportunity to visit his church. We were blessed to see that their ministry has a strong emphasis on missions.

Bonnie and I would like to thank each of our hosts for being so gracious. We look forward to seeing you all again and meeting more of you in the future. We would appreciate the opportunity to visit new churches and share about the work in Haiti.

## Your Sponsorship Statement

Last month, we sent every sponsor a contribution statement of their sponsorship offerings from January 1 through May 31. We plan to send a statement every quarter.

If you give annually, your statement will let you know when your annual sponsorship of \$420 is due. If you give monthly or quarterly, your statement will be a guide for your sponsorship payments.

It is easier than ever to keep your sponsorship payments current. You can pay your sponsorship on our website and make it recurring automatically.

Thank you for keeping your sponsorship current and giving for your sponsored child.

## Joineau Well Is Dry

The well at the Joineau school has gone dry. This happened at Gallette Chambon recently. The well driller determined that we will need to dig another 50 feet deeper to reach a new source of water. The cost to redig the well by hand will be \$4,500. School will begin soon. Your help is greatly appreciated.
