Founders' Challenge Continues **\$40,620** Reaching The Next Generation

Thank you for giving to the Founders' Challenge. We have now received \$40,620. We are almost half way to reaching our goal of \$100,000! Thank you for your tremendous support.

We are asking 20 of our friends to give an offering of \$5,000 each to help pay for the Operating Expenses for 2016. We need to reach our goal by October 31st. Any gifts that you send for the Founders' Challenge will be used for the Operating Expenses of this ministry. Thank you!

Our most valuable resource in Haiti is our Haitian partners. These are the people who serve with us day in and day out. They are people we count on to do their best for the ministry and for their fellow Haitians. They love the Lord and they love the children who we serve together.

Pictured above is Hancher. He is standing with children from the Cazeau community holding gifts that were

made by a dear lady from South Florida. Hancher serves with the teams and helps everywhere we need him. His can-do attitude allows him to accomplish much and makes him a joy to work with.

Ti-Goave school. She spent time with each child checking their health and addressing any issue that concerned them. It is obvious that Mirlaine cares about these children. At the end of the day, she commented how much their health has improved over the past year. Her dedication is making the difference.

Our vision is to reach this young generation of Haitians for Christ. We believe that we can do this through the help of our partners. When you pray for the work and give financially, you become our partner in this vision.

The Lord has blessed Mission To Haiti with wonderful partners. Pictured above are Bennison and Jerry. Both men offer special God-given gifts that they use to advance the work of the Lord in Haiti. Below is a snapshot of those who attended our summer sponsorship conference last year. It was a great time of fellowship and encouragement.

We have more than a dozen full-time partners in Haiti who depend on your support for their livelihood. We have more than two dozen partners who serve part-time in support of the mission teams and the on-going projects on the field. The more we involve our Haitian partners in this ministry, the stronger our work in Haiti will become. Your gifts to the Founders' Challenge make the difference.
