## Rosemie Is Now A Teacher At Beudet

Recently, our Haitian partners went to the Beudet school to get updates on the sponsored children. When they arrived they found that Rosemie is now a teacher at the school! She explained that she was able to graduate high school because she had a sponsor. She is so grateful for the education she received that she is dedicating herself to teaching sponsored children. She said, "I believe in Christian education and I believe in Mission To Haiti's Sponsorship Program."

*You have the power to change a child's life for a small amount of money and lots of love and prayer. There is a child who is waiting for your love and support.*

Mission To Haiti's vision is to equip children and young people to change Haiti for Christ. Everything is in place for this to work. The schools, food programs and clinic are ready to reach more children. *What we need are more sponsors!* Please pray and ask the Lord what you can do to impact the lives of children who need help!

More than twelve years ago, something happened to Rosemie Cadet that would change her life forever. She was sponsored! Let me tell you her story.

When Rosemie was a young girl, her father passed away and her mother was disabled. The local pastor and his family were concerned for Rosemie's welfare so they stepped in and began taking care of her. This included sending her to school.

The pastor registered Rosemie at one of Mission To Haiti's sponsored schools. As we do, we took her picture and information and shared it with our supporters. Within a short time, Rosemie was sponsored!

Sponsorship opened the door for Rosemie to get a Christian education. It was the opportunity she needed to grow in mind, body and spirit, and that is exactly what she did!

Sponsorship is \$35 a month. You can sponsor a child at [www.missiontohaiti.org](http://www.missiontohaiti.org)

## Thank You For Giving! We Need Your Prayers And Support!

When the September Team went to Haiti, we had the opportunity to see Pastor Bruceley and spend the day at Ti Goave. A few days before we got there, he fell into a ditch and hurt himself when he hit the rocks below. We spent time praying for Pastor Bruceley. Today he is doing much better.

The demands on Pastor Bruceley and the other pastors are great. They serve on the front lines of this ministry. Children and families turn to the pastors and school principals in times of need. From there, they turn to us! Whether the need is physical or spiritual, we want to help.

Our primary way of helping children and families is through the schools, food programs, clinic and operations at the mission campus. The pastors, principals and staff are serving well, but there is more to do.

Simply put, we need your regular and special support in order to meet the needs and opportunities the Lord has given us. As we finish 2017, prayerfully consider what the Lord is calling you to give. Thank you for making this ministry possible. We appreciate your gracious support!

## Hurricane Irma In Haiti

In September, we had a small team in Haiti as Hurricane Irma was approaching the island. The team was able to make it back to Florida before the storm arrived. Thankfully Irma missed hitting Haiti directly. The schools reported that they only received a little wind and rain. All the sponsored children are doing well. Our homes and office in Miami lost power for a few days, but we did not experience any significant damage.

Our love and prayers go out to all of our friends and supporters who were impacted by the hurricanes this season. We know it may take time to recover. We pray that the Lord will be with you and provide for you during this time. God bless you!

## Preparing For 2018

Because of your special gifts, we will be able to begin the new year with all accounts balanced. Hundreds of children will be able to attend school. Thank you for your prayerful support.
