Plead The Cause Of The Poor And Needy

Proverbs 31:9 says, *"Open thy mouth, judge righteously, and plead the cause of the poor and needy."*

The woman seated in the photograph is Elimene Vernelis. Her daughter Navline is standing next to her. For the past couple of years, Elimene suffered from congestive heart failure. For a while, she was able to control her health, but eventually her condition got much worse. We received a generous donation that we used to admit her to a large hospital in Haiti. The medication worked well, but only for a short period of time. Eventually, her body was not strong enough to survive her debilitating condition.

In October, Elimene went home to be with the Lord. Pastor Brucey officiated her ceremony in the church at Ti Goave. He said that she was a faithful church member and wonderful Christian woman. He noted that Elimene never complained, but she was quick to thank the Lord for providing for her.

Elimene's story could be told a dozen times. We are continually approached by pastors, principals, children and families asking for help with their urgent and persistent needs. Mission To Haiti serves to plead the cause of the poor and needy in Haiti. We plead the cause of those who are sick and infirmed. We plead the cause of those who are hungry. And we plead the cause of those who are lost and need a Savior.

Elimene's daughter, Navline is fourteen and is now by herself. Pastor Brucey is looking for a family in his church who will care for her until she becomes an adult. Navline is in the Sponsorship Program, but needs help for her daily needs. It will take \$100 a month to provide for Navline until she is on her own.

Your prayers and support are the lifeblood that God is using to address these causes in Haiti. When you pray and give you become a part of the solution. Thank you for answering the call!

\$25,000 Needed To Finish The Year

We are ready to finish the year, but we need your help. As 2017 comes to a close, we need \$25,000 in special offerings to address pending needs and balance our ministry accounts. A special offering from you at this time will be a great blessing! Satisfying these needs and balancing these accounts will allow us to begin the New Year at full strength. We are excited at the ministry opportunities the Lord is opening for Mission To Haiti. Your participation is a key component in making these ministries possible!

Sponsorship is \$35 a month. You can sponsor a child at www.missiontohaiti.org

Partnership In Missions

Thank You For Giving To The Founders' Challenge

Thank you for your gracious offerings for the Founders' Challenge. Through your support, we received \$31,970!

Your contributions allowed us to accomplish much in Haiti! We employ 15 full-time Haitian partners who serve in every area of our ministry on the field. We have a State-side crew who comes to Haiti every month to work and host team members who serve with us. Your support allowed us to keep our partners moving and maintain our active presence in Haiti. We installed one of the new large generators and we are preparing to install the other two units.

In October, Joyce Aldridge from Mount Carmel Baptist Church came with us to serve and visit her sponsored children. She led a one-day Bible school where a dozen children prayed to receive Jesus. Pino and his men started building the house for the new clinic generator. Soon, the clinic will have consistent power.

Thank you for giving so that this work can continue. We are excited about what the Lord has in store for Mission To Haiti in 2018. Your prayers and support make this possible.

Christmas Gifts

This is a perfect time to send your sponsored child a gift for Christmas. A money gift is best. Send it or charge it online and we will deliver it ASAP! Your child will be thrilled!
