Go Ye Therefore And Teach All Nations

We need your regular and special support, especially throughout the summer months when the work is very active. Your prayers and support allow us to keep moving forward.

Thank you for your offerings for Our Founders' Challenge! We received \$13,800! We need \$8,000 each month through October to reach our goal of \$50,000.

We are trusting the Lord for this amount. Thank you for allowing the Lord to use you!

Before Christ left this earth, He gave His followers the Great Commission. *"Go ye therefore, and teach all nations..."* Included in Jesus' redemptive plan are the people of Haiti. Two thousand years later, the charge that Jesus gave us is as important as ever.

In June, we had the opportunity to bring a group to work at the schools. Teaching children through Christian education has the power to transform this young generation of

boys and girls into adults who are ready to be witnesses for Christ. That's what Haiti needs! One by one, we are equipping these young people to change Haiti for Christ.

In the afternoons, the team held Bible school for the students at Cazeau and the children of the community. Each day the number grew! The children played games in the yard and heard the Gospel through Bible stories and skits that the team performed.

Afterwards, the parents thanked us for allowing their children to participate. Our desire is that our presence in Haiti will be a blessing to children and families.

Mission To Haiti is a 501(c)3 organization. Your donations are tax deductible.

EVENING of VISION

A SPECIAL EVENT PRESENTED BY
MISSION TO HAITI

Go to www.missiontohaiti.org/eveningofvision to buy individual, couple and table tickets. You can also use this link to register for the silent auction. You can also register for the auction at the event.

Our Nurse Wants To Go Back To School

Our nurse, Mirlaine, would like to return to school to become a Nurse Practitioner.

Mirlaine received her license as a Registered Nurse at a university in Haiti. The program has a US counterpart and is on par with nursing schools in the United States. Mirlaine's RN training and experience have

allowed her to give quality care to the children in the schools.

We need your help. The training lasts 18 months and costs \$2,500.

Mirlaine is the first person who oversees the care of sponsored children and others we are called upon to help. Her NP degree will allow her to serve even more. Thank you!

We are excited about our upcoming event in October. *Our ticket site is live and ready to go!*

When you go to our event site, you can buy tickets and register for the silent auction. The site also has pertinent information regarding times, dress and a map to the Renaissance Hotel.

This is an event that you will not want to miss! Your support will help children receive a Christian education.

Wells Need Repair

We have two school wells that need to be repaired. The pump at Bonnette broke and needs to be repaired. The well at Joineau is more serious. The well is no longer usable and needs to be redone.

The cost to repair and redig these wells will be \$2,000.

Your support is greatly appreciated! Thank you also for your offerings for the shipment to Haiti.

Work On Charly's House Continues

The work on Charly's new house continues to move forward. Since April, we have been able to get the walls up, build the porch and kitchen and pour the columns. This month, we hope to get the roof installed. Charly, his wife and their family are very grateful for their new home!
