EVENING of VISION

A SPECIAL EVENT PRESENTED BY
MISSION TO HAITI

SATURDAY • OCTOBER 6th • 6PM – 9PM

Ticket purchases to attend the Evening of Vision event are going well. Don't miss out! We are excited to share with you the great things that the Lord is doing through Mission To Haiti.

The New Vision Worship Team will be performing for us in English, French and Creole. Pastor Ronald Eugene will be challenging us to reach Haitian young people with the Gospel of Jesus Christ.

The purpose of this event is to enlarge the ministry of Mission To Haiti. In order to expand our reach into the communities where we serve, we have to expand our reach on the home front. This event is an opportunity to inspire our current supporters and invite new people to get involved in this ministry to children and young people.

Money raised through the silent auction and donations will be used for the work in Haiti. We have ministries on the field that are waiting to be funded so they can move forward. Simply put, your support will make the difference. We have an active ministry schedule planned for this fall and next year. We invite you to get involved!

Partnership In Missions

School Is Starting In Haiti, Your Support Is Vital!

School is scheduled to begin in Haiti the beginning of September. The children are eager to start the new school year because of what it means: an engaging education, meals at school, visits from the nurse and doctor, gifts from their sponsors and much more.

Thank you for keeping your sponsorship payments up to date. Your support is absolutely a vital part of keeping the schools operating from month to month.

A great gift idea this month would be to send \$30 for your sponsored child for uniforms and school materials. They will be thrilled and their family will be blessed. Thank you for your faithfulness!

The Joineau School Needs A New Well

Pictured below is our well driller, Boss Chrisner. He has been digging wells for Mission To Haiti for a number of years. Using shovels and hand tools, he and his crew have dug wells more than 80 feet deep. It is dangerous work, but necessary when modern equipment is simply not available.

The well at Joineau has gone bad and a new well needs to be dug. *The cost to re-dig the well will be \$1,700.* The hand pump can be reused on the new well. Boss Chrisner is to ready begin. With school starting, we would like to get the new well working as soon as possible. We received \$300 which took care of the repair to the Bonnette well. Thank you for giving for such a vital need!

Updates From Haiti

We received \$1,700 for Mirlaine's Nurse Practitioner's schooling. Thank you for giving! We still need another \$800. We will get her registered to begin as soon as possible.

The September Team will hold clinics at the schools and at our Campus Clinic. Please pray for the team.
