We Need Your Help To Finish The Year

On a Monday morning recently, Faustin Joseph came by our office at the mission campus to tell us that his Sunday shoes had finally given out. He had been making house visits in the local village after the Sunday service and his shoes simply fell apart.

Faustin is a lay pastor at the Bonnette church and has been a faithful member for years. He has been a teacher at the Bonnette school and has helped many of our medical teams as an interpreter. Faustin's first wife died of cancer several years ago. Faustin remarried last year, and soon his new wife was expecting a child. However, a cou-

ple of months later, the baby miscarried. We were heartbroken for Faustin, but he was careful to thank the Lord that his wife had come through safely.

Mission To Haiti is blessed to have people like Faustin who are always ready to serve. They serve so that children and families can hear the Gospel. Below is a picture of our employees and their families. They work tirelessly all year so that the ministry of Mission To Haiti can continue. All of us depend on your prayers and support in order to change Haiti for Christ. As you pray and give, we are able to get the job done. Thank you!

\$25,000 Needed To Finish The Year

As 2018 comes to a close, we need \$25,000 in special offerings to address pending needs and balance our ministry accounts. A special offering from you at this time will be a great blessing! Thank you to those who have already begun to give. We want to be ready to meet 2019 at full strength. Your prayers and special gifts will make this possible. Thank you for giving!

Partnership In Missions

Sponsorship Will Change A Child's Life Forever

Christi came to Haiti in November with her father Kees and sister Jana to help us with the projects and to visit their sponsored children. We have a day when sponsored children come to the mission campus to receive gifts from their sponsors and to spend time with their sponsors. Christi had the opportunity to spend time with Marie and bring her gifts for Christmas. It was a precious time for them to meet together.

Your love and support will have a life-long impact on your sponsored child. This is a perfect time to send your child a gift for Christmas. A money gift that your child and their family can use will be a great blessing.

We have begun to set team dates for 2019. We would love to have you come to Haiti to help us on the field and to meet your sponsored child. It will be an experience you will never forget.

Beudet School Needs A New Well

The well at the Beudet school has become dry. The church, school and local community depend on this well for their water on a daily basis. Right now, the school is having to haul water in for the students and school kitchen. Boss Chrisner checked everything and a new well has to be dug. ***It will cost \$3,000 to dig a new well and install the pump.*** Your support is greatly appreciated!

Pastor Brucely Waiting On Test Results

Thank you for your offerings for Pastor Brucely for his medical tests. He was able to get the tests he needed. He is waiting for an appointment with his doctor to decide how he should proceed with prostate surgery. Please keep Pastor Brucely in your prayers. In November, the Ti Goave church held a revival and 20 people were saved! The work of the Lord is moving forward.
