## Serve On A Mission Team

2018 was an active year for Team Ministry. Most of the monthly trips we made had team members who came to serve. Whether installing the roof on a family's home, painting facilities at the mission campus or teaching sewing classes at our vocational school, we got a lot done. There is still much to do! We have ministry projects that need your talents and your desire to serve. Teams are a great opportunity to visit your sponsored child.

The best ability is availability. *This year, we have projects where we need specific tradesmen: electricians, plumbers and carpenters.* Beyond that, we have ongoing ministries in our clinic, schools, and churches where we need extra hands to do the work. The place to start is to fill out a Team Application on our website at [missiontohaiti.org](http://missiontohaiti.org)

# Partnership In Missions

## Mission Teams Are A Bridge To The Haitian People

The purpose of the Mission Teams is to bring volunteers to Haiti who will help us enlarge our vision of equipping Haitians to change Haiti for Christ. Team members contribute by working with the Haitian people and using their expertise to help children and families. This allows us to meet people where they are and share the Gospel of Jesus Christ.

Most of our mission trips are 8-days long. We are beginning to plan shorter trips for those who cannot stay a whole week. The cost for an 8-day team is \$600. Team fees for the shorter teams are less. Team members also need to buy their plane tickets to Haiti. Please let us know if the Lord is leading you to join a Mission Team to Haiti.

## We Depend On Your Prayers & Support

Your faithful prayers and financial support keep the work in Haiti moving forward. We are truly grateful for all that you do.

Like Jabez in 1 Chronicles 4:10, we are asking the Lord to enlarge our boundaries in Haiti so that we can expand the work that God has called us to do.

The communities where we serve are full of children who are waiting to be sponsored. Sponsorship is the door to reach children and families for Christ. Please pray that our work in Haiti will grow.
