Sherril and I and our family would like to wish you a very Happy New Year for 2020. Next January in 2021 Mission To Haiti will celebrate its 40<sup>th</sup> Anniversary. We will reach an important milestone in the ministry. Last year, we shared pictures in the newsletters of our early days in Haiti. They were enjoyable to see and reminisce. They were also a reassuring reminder how the Lord has kept us going all these years.

As we were preparing this newsletter, we received word from our partners in Haiti about a new teacher at the Joineau school. They were collecting updates on the sponsored children and saw a young lady they recognized. They discovered that the new teacher is Loveline Demosthene who had been a sponsored child. We shared this exciting news with Loveline's sponsor. He was in awe!

Proverbs 16:3 says, *"Commit your works to the Lord and your plans will be established."* Twenty-nineteen was a difficult year for the Haitian people. Sometimes they got discouraged. Loveline's story is a firm reminder that God is always at work. He is utilizing your prayers and support and equipping young people like Loveline to change Haiti for Christ. When you pray and give, you become a part of God's plan for Haiti. We thank you for being a part of this ministry.

Serving Together,

*The Nealeys*

## Thank You For Your Support

Pictured to the left are ladies who work with us at the mission campus. They help Esther manage the campus. They clean, they wash and they make things comfortable for the teams and staff.

When you give to Mission To Haiti, your support helps people. We have a network of people in Haiti who help us accomplish our work. We thank them for their diligence and we thank you for your faithfulness.

Thank you for your offerings in 2019. We appreciate your response in helping us balance all of our ministry accounts.

We met our goal of \$50,000 for the Founders' Challenge! Thank you! These funds are so helpful in covering our operating expenses in Haiti. In 2020, we need your prayers and support to continue and to expand the work in Haiti. Your prayers and support make the difference.

## Are You Ready For A Missions Trip?

We have begun to make changes to our missions trips. We hope this will make it easier for you to considering coming to Haiti. Rather than only having eight-day trips, we are offering shorter trips to better accommodate your schedule and to make the trip more affordable.

The team fee for a four-day trip is only \$300. In four days, you can hold Bible school, participate in a work project, help children in the clinic, distribute food, meet your sponsored child, visit a sponsored school, take a tour of the Port-au-Prince area, attend a worship service and more. It is a great way to learn about Haiti and the work of Mission To Haiti. A missions trip is life-changing.

Right now, we have team dates set through June. We will add more team dates as the year progresses. Please contact us at [billjr@missiontohaiti.org](mailto:billjr@missiontohaiti.org) if your school or church group would like to take a missions trip. Thank you.
