## Betie Jean Needs A New House

*Betie Jean in front of her family's home.*

We spoke with a local builder to see what it would cost to build the family a new house. The builder said it will cost \$10,000. The sponsors do not have the funds, but they know that the Lord can supply any need. Hebrews 3:4 says, *"For every house is builded by some man; but he that built all things is God."* This verse confirms that God is the One who supplies our needs, regardless how unreachable they seem. We are asking the Lord for wisdom to know how to move forward.

This is Betie Jean. She lives in the rural village of Cotin. She is standing in front of the home where she and her family lived. Over the years, the house has deteriorated. There are so many holes in the roof that it cannot stop the rain any longer. Earlier this year, the family of 9 moved in with Betie's aunt who lives near by. It was then that Betie wrote her sponsors to explain their situation.

Betie's sponsors, Dave and Paula, contacted us. They asked us to go to Cotin and meet with the family. Our sponsorship crew spoke with Betie and her mother. They took pictures to share with Dave and Paula, and they learned more about the difficulties that Betie and her family are experiencing. They also learned some amazing things about Betie in the midst of all this difficulty.

Two years ago, Betie accepted Christ and was saved. On December 25, 2019 Betie was baptized. She belongs to a local Bible believing church and is growing in her faith. Dave and Paula have been sponsoring Betie for 8 years. She has finished her studies at the Cotin school. Now she would like to attend our Vocational School and learn to become a seamstress. Betie has a bright future.

### How You Can Help

Betie's house is one of many opportunities facing us this year. Your help with ministry needs and operational expenses will allow us to serve effectively. We need your help.

We are asking the Lord to give you the resources you need to give Mission To Haiti a substantial year end gift. With that, we will finish the year strong and start the new year ready to go! Thank you.

# Partnership In Missions

## Preparing For Food Distributions In November

When we go to Haiti this month, we would like to organize the 3 remaining food distributions we have.

**We need \$1,565** to reach our goal and complete these distributions. This food will be given to all the families of these schools. It will be a blessing to them at this difficult time.

### Facebook Ads Launched

We launched our Facebook ads to promote Sponsorship. Please pray that the response will be great. Please Like and Share them!

Mission To Haiti  
Sponsored · 11

For \$35 a month, you can sponsor a child in need. Sponsorship provides children with a Christian education, meals at school, and medical care.

Our goal is to see these young people receive Christ as their Savior and become leaders for positive change in Haiti.

Would you consider being a part of this work that the Lord is doing through Mission To Haiti?

### Our Founders' Challenge: Everlasting

On October 15<sup>th</sup>, Boss Papa went home to be with the Lord. He was 70. We called him "Boss" because he served for years as the mason on our construction crew. He did all of our plastering and cement work. This year, Papa surrendered his life to Christ and was saved. Because of that, he received everlasting life. As Jesus told Nicodemus in John 3:16, "...whosoever believeth in him should not perish, but have everlasting life."

Your Founders' Challenge offerings allow us to share the message of eternal life. We have received \$24,956 so far this year. We need \$65,000 to cover our Operating Expenses in Haiti. Your offerings large and small make this work possible.

*Papa (center) with his daughter and Ronald*

### Team Dates

*November 13–20*

*January 23–30*

*We have electrical work and clinics planned for Jan. We need your help.*
