

The *Merry Christmas* VISION

"Where there is no vision, the people perish ..." Proverbs 29:18

The Monthly Newsletter of Mission To Haiti

December 2020/Number 492

We Need Your Help To Finish The Year

This is Iglè Senat and his family. They live in the rural community of Guedon. Their son Wistender is sponsored at the Guedon school. Last year, Gary and Jill who sponsor Wistender contacted us. Wistender wrote them describing their living situation. Gary and Jill felt led to help but they needed more information.

Our sponsorship crew met with Wistender and they realized that his father is the school principal. When we started working at Guedon in 2013, Iglè and his family were living in a makeshift house in the school yard. Eventually, it became unlivable. From there, they moved into the parsonage at the church, but that was only temporary. They needed a permanent home for their growing family.

Iglè owns a piece of property near the church and school, but he did not have the resources to build a home. So Gary and Jill decided they would provide the funds that Iglè and his family needed to build their home.

Iglè and his family standing in front of their new home.

We asked Mackendy, a former sponsored child and now a local builder to provide the proposal and draw the plans. Work began this summer. For Iglè and his family, this home is a dream come true. For us, it helps to fulfill our vision of equipping Haitians to change Haiti for Christ. For Gary and Jill, it is a testimony of their love and concern. The home should be finished soon, hopefully by Christmas.

\$25,000 Needed To Finish The Year

As 2020 comes to a close, we need \$25,000 in special offerings to take care of pressing needs and balance our ministry accounts. A special offering from you at this time will be a great blessing for us and the people we serve. Thank you to those who have already begun to give.

Despite the difficulties of this year, we are looking forward to the ministry opportunities the Lord is preparing for us in 2021. More than ever, there is work to be done in Haiti. Children need a Christian education. Families need help. People need to be saved. Your financial support is a part of getting this work done. Thank you for giving.

Partnership In Missions

School Books Are Bought And Being Delivered

The new school year has begun in Haiti. We have started to buy and distribute text books to those children whose sponsors gave for these books. Two of our principals, Chancy and Senat, organized the list and purchased the books at the company's main book store. Some of the books were recently updated. The sponsored children are getting the best books available. Our sponsorship crew is distributing the books and getting a picture of each child with their new books to give to their sponsor.

If you have not yet given for your child to receive new text books, it is not too late. The cost is \$50 and you can give on our website at *Sponsorship & Gifts*. Thank you for giving.

Help Us Finish Our Founders' Challenge

Our Founders' Challenge ministry fund is an essential part of our operations on the field. The funds we need to keep our equipment in shape, our buildings repaired and our work crews moving forward depend on this ministry account.

We have received \$28,096 for Our Founders' Challenge. We need \$36,904 to reach our goal for this year.

This year, our mission campus has been a beehive of activity. During COVID-19, our work crews organize the food distributions, school meal distributions and clinics for the sponsored children from the campus. Since the lockdown in Haiti ended, the US staff has resumed their trips. Our schools and churches depend on the function of the campus.

We need your help to complete the Founders' Challenge so we can complete the work the Lord has given us to do. Thank you!
