August 2024 / Number 536

## There's No Place Like Home

The feeling of joy and satisfaction is incredible for the families who received help to pay their rent.

So far, 20 families have been placed into new homes and had their rent paid for a year. These families lost their homes because of the gang violence. Some families were pushed out of their homes by the gangs. Others had their homes and possessions destroyed.

Many families had their lives turned upside down because of the gang situation. Those families who have a connection with Mission To Haiti have a lifeline of support. Because of their connection with our schools and churches they have a pathway to reach out to us for help. Every family has different needs, but each need is another opportunity to reach a new family for Christ.

If not for the extreme circumstances, many of these families would not seek out Mission To Haiti as they are. Now that they know who we are, they want to become a part of Mission To Haiti's program. We are used to families asking us for special help. Now, we are meeting new children and families who want to get involved in our churches and schools.

Jesus said, *"Lift up your eyes, and look on the fields; for they are white already to harvest."* The time to reach families for Christ is now. **There are 20 more families who need help to pay rent. They will need \$13,000. Please help. Thank you.**

## The Bible Schools Are Going Great More Support Is Needed

**T**he summer Bible schools are already having a great impact. So far, 94 children have made professions of faith in Jesus Christ. We are praying that number grows. At the same time, we are receiving new requests from ministry partners for more Bible schools.

You have provided funds for 6 Bible schools already. We now have 14 VBS programs planned. These represent hundreds of children, many of whom have never heard a clear presentation of the Gospel. That is why holding these Bible

schools are so important. A child's heart is tender and open. Accepting Jesus at a young age will set the course for their whole life.

**\$7,450 is needed for the remaining 8 VBS programs. Your offering will make the difference.**
