- Ministry Description

Mission To Haiti's vision is to Equip Haitians to Change Haiti for Christ. The platform we use is Christian schools. Along with local evangelical churches, these institutions are ideal settings for educating children, providing job training for young people, preparing young men and women for the ministry and reaching everyone in the family for Christ. Mission To Haiti partners with 12 Christian schools and a Vocational school to meet pressing needs and evangelize the community. Sponsors give individual children the opportunity to attend the schools, eat nutritious meals and receive medical care. In times of crisis and insecurity, Mission To Haiti distributes family packages of food, provides medical assistance to those who are sick or injured and helps families to resettle into homes that are safe and secure. Through these ministries, hundreds of people are abandoning false religion, turning to Jesus and being saved.
