

Ann Home With The Lord

December 29, 1934 – September 15, 2024

On Sunday, September 15th Ann Nealey went Home to be with the Lord. Ann was 89.

It was less than three months since Bill Sr, her husband of 66 years passed away. Ann and Bill spent a life time serving the Lord together. It is a great comfort to know that they are together again in the Lord's presence.

Ann was the quintessential missionary wife. She loved serving and helping. When Mission To Haiti began, its first ministry opportunity was the mission teams. Ann became the cook. Even when the teams grew to 50 people, Ann made sure the team members were well fed.

Ann's true gift was prayer. She woke up early each morning and spent hours praying for those she knew and loved. She was always ready to add someone new to her prayer list. By the time Ann passed away, she had read through the Bible 40 times.

In memory of Ann we ask that you consider giving a special love gift to the New

Mission To Haiti School. Ann's faithfulness and years of dedication to the work in Haiti helps to make this future ministry work possible. Thank you for giving!

Below: Ann in her favorite place, the kitchen at the mission house. Ann wrote in her Bible, "When the time comes that I cannot go to Haiti any longer it will be the saddest day of my life!"

Partnership In Missions

The New Mission To Haiti School

Junior and Bill Jr. standing on the New School property

Haiti has experienced a lot of change over the past couple of years. Gangs have taken over certain regions which has altered how we access the churches and schools we have partnered with for decades. Thankfully we have been able to continue supporting the schools and churches. But we began to feel that the Lord was using these circumstances to lead us to expand our vision. Since last year, new families have been flooding into the neighborhoods around the mission campus. We

prayed and felt the Lord was leading us into a new effort to reach these families.

The New Mission To Haiti School on the mission campus will be a complete ministry hub. Our vision is to have pre-school through high school grades, a vocational school and a school of ministry to train young people for full-time service. This new school will establish a pattern that our partnering schools can follow. Our vision is to start with young children and train them to become leaders in Haiti.

Last year, we received several unexpected offerings that became the seeds to plant this new ministry. It was a confirmation of the vision God has given us.

Phase one is the new preschool facility that will accommodate up to 100 preschoolers. We are trusting God that what He started will be finished.

It will cost \$60,000 to complete the pre-school construction. Our desire is to finish by the end of the year. Thank you for helping!
