

## Running With Patience

The  
Nealey  
Family

Dear Friends, Sherril and I and our family want to wish you a Blessed and Happy New Year for 2025. Much has happened since the last time we wished you a happy new year. My parents, Bill and Ann Nealey went home to be with the Lord. We also added two new grandchildren, Benaiah and Hayley. On top of that, Haiti has suffered horrific gang violence which has affected the whole country. Last year was marked with terrible sadness and comforting joy. Through it all, the Lord was with us.

Hebrews chapter 11 is called the Hall of Faith because it profiles the greatest heroes of the faith. Their stories are meant to inspire us to persevere and trust the Lord in the worst of circumstances. The writer of Hebrews finished the passage by challenging his readers to, "...run with patience the race that is set before us," This is the same message the Haitian people need for this new year.

Despite the circumstances, God's work through Mission To Haiti has not stopped. We will continue to keep moving forward in 2025. Your prayers and support are a crucial part of this ministry's success. Thank you for helping us complete 2024 strong and be ready for a great 2025.

## Forty-Four Years Later, Sponsorship Still Works

Breda Louis, our very first sponsored child

Miolka, our most recent sponsored child

As we went through Bill and Ann's old photos, we found a snapshot of Mission To Haiti's first sponsored child, Breda Louis. In the photo she is standing with her father, Mr. Louis. As a young man Mr. Louis became blind because of an accident. He was a man of great faith.

Mr. Louis asked Bill Sr. for help to send his daughter to school. Back in Miami, Arthur McQueen approached Bill and offered to help.

Mr. McQueen was the janitor at the local elementary school. Through that contact, the Sponsorship Program was born.

Since then, countless children and sponsors have been connected together. Our latest sponsored child is Miolka. She was sponsored at Christmas time.

After all these years, sponsorship is still the perfect way to help a child in need and give them hope.

## Vocational School Plans Its First Trade Fair

Vocational students wearing the outfits they created to market their talents

In March, Pastor Cadet and the Vocational School are planning to have their first trade fair. It will be an opportunity for the current students to exhibit their work and promote their talents. There will be competitions and skill challenges.

The trade fair will also invite new students to join the activities and consider becoming a part of the program. Pastor Cadet will use this event to present the Gospel to everyone who attends. **The cost to host this special event will be \$750. Your gift will help make this event successful.**
