THE NEWSLETTER OF MISSION TO HAITI

February 2025 / Number 542

How Your Offerings Were Used In 2024

Thank you so much for your generous offerings for Mission To Haiti in 2024. Last year was the mission's best year financially. Despite the trouble and instability that was caused by the gangs, Mission To Haiti accomplished more than we thought would be possible. This is a testimony to God's provision. It is a testimony to your faithfulness to the families we serve.

Your increased support allowed more to be done for the glory of God. Between the evangelistic efforts, food distributions, new homes and the growth in sponsorship, thousands of lives have been impacted.

Mission To Haiti is ready to do more in 2025. Your prayers and support are crucial for making this year's ministries possible. Here's how your offerings were used in 2024:

Child Sponsorship	\$201,668.78
Mission Team and Campus	\$37,365.67
Building and New MTH School	\$111,679.00

Last year's accomplishments are the building blocks for this year's ministries. Our desire is to launch the New MTH Preschool this year. Because of your support, this is becoming a reality.

School Meals And Trade Fair Need Your Help

Second graders and their teacher at the Beudet school

Pastor Jean Claude from the Beudet school reached out for help. Gangs broke into the school kitchen and stole the cookware, plates and utensils. The kitchen has been secured but these items need to be replaced. **The cost to replace these kitchen items is \$2,000.**

Thank you to those who responded to the Vocational School's Trade Fair in March. **They still need \$500 to have enough funds to hold this special event.** They will need the funds this month to prepare. Thank you for helping.

A Change Of Address For Mission To Haiti

Bill and Ann Nealey and their family moved to Hialeah, Florida in the summer of 1974. When Mission To Haiti began in 1981, their home became the mission's official headquarters. The balcony that Ann and Bill are standing on in the photo was closed in. It became Bill's main office. As Bill often joked, he referred to it as the "World Headquarters of Mission To Haiti."

The family is preparing to sell their home at 915 W. 80th Place later this month. Because of that, mail or packages should be directed to the post office box:

**P.O. Box 523157
Miami, FL 33152**

If you need a physical address for Mission To Haiti, please contact us. Our home in Hialeah is filled with great memories. We will cherish them for years to come.
